Air Heating

## *Air Top 2000 ST / 3500 ST / Evo 5500 ~ Changing the way you feel about heating*

Webasto air heating systems are the ultimate choice when it comes to heating the driver's cab and vehicle interiors economically.

The light weight and compact air heaters are easy and quick to install.

They quickly heat the interior up to the temperature you require, quietly ensuring that you enjoy constant, cosy warmth on board and are also highly cost-efficient, where ever you chose to rest.

The Air Top range of heaters operate independently to heat up the cabin without having to have the engine running.

### **Features & Benefits:**

- High comfort due to the very quiet operation and step-less power control
- Easy Installation in virtually all vehicles due to compact dimensions
- No engine idling
- User-friendly operation
- Powerful with short heat up times
- Dehumidifies interior when in fresh air mode
- Proven technology—top quality and reliability
- Low fuel and power consumption
- In-Built Diagnostic capability
- 2 year Australia wide warranty

### **Air Top 2000 ST**

The smallest air heater unit, with ceramic technology and optimum economy for higher heating efficiency—infinately variable temperature control as standard.

### **Air Top 3500 ST / Air Top Evo 5500**

Very powerful, compact and quiet. Ideal for extreme conditions and to fulfill the highest demands. Temperature control as standard.

#### Technical specifications:

Unit	Voltage (V)	Fuel Type	Heat Output (kW) Partial Load—Full Load	Fuel Consumption (L/Hr) Partial Load—Full Load	Power Consumption (W) Partial Load—Full Load	Dimensions (LxWxH mm) Weight (Kg)
<b>Air Top 2000 ST</b>	12 / 24	Diesel	0.9 — 2.0	0.12—0.24	9—22	317 x 120 x 121 2.6
<b>Air Top 3500 ST</b>	12 / 24	Diesel	1.5 — 3.5	0.17—0.42	15—36	425 x 148 x 148 5.9
<b>Air Top Evo 5500</b>	12 / 24	Diesel	1.5—5.0 (*5.5)	0.17—0.60 (*0.60)	15—90	425 x 148 x 148 5.9

The values stated include a tolerance of approx  $\pm 10\%$  typical for heaters. Subject to change without notice.  
\* Booster speed for max. 30mins.
